Discover more at neccontract.com/usergroup

The NEC Users' Group is a membership of organisations that procure, manage and deliver projects around the world.

NEC Users' Group comprises of over 400 members across the globe. It brings together organisations and individual users to connect, exchange knowledge and best practice through events, training and networking.

Members are given access to NEC experts who provide dedicated technical support and tailored consultancy. It also includes free and discounted access to a range of NEC events, products and services.

Keep up-to-date with the latest NEC insights and developments through regular communications and newsletters, expert advice and a relevant, engaging event calendar.

“I'm very keen for users of the NEC contracts to become members of the Users' Group. Your membership of the Group is vital in keeping NEC informed of your experiences in using the contracts. Users' Group offers members unparalleled access to up to the minute developments and the opportunity to swap experiences with other users. The success of NEC is dependant upon user engagement.”

Rudi Klein, Users' Group President
SEC Group

“The NEC suite of products, like all contracts, is constantly developing and requires the input from its users to help refine and produce a quality product. The NEC User Group provides the vehicle for users to be able to contribute to this. Members get the opportunity to participate in conferences and seminars and receive a quarterly newsletter with the latest NEC news.”

Dr David Hancock, Users' Group Chair (2017-2021)
Construction Director, Infrastructure and Projects Authority, Cabinet Office.

Stay in the know

We are dedicated to ensuring our members are fully briefed on news and activities happening across the world of NEC. Our newsletters contain updates from government and industry as well as international case studies, expert advice, and regularly featured FAQ's. It is the go-to source for everything you need to know about what is happening with NEC right now.

Connect with your peers

NEC arranges an array of events to give members the ability to learn, connect and learn from each other's experiences of using the contracts on a day-to-day basis. The events calendar offers a variety of options from breakfast briefings, workshops and conferences. The events offer an engaging programme of speakers, projects and delegates from around the globe.

Helpdesk

One of the most popular features of the Users' Group, the Helpdesk provides dedicated technical support. An NEC expert will reply within 48 hours of a question being submitted with comprehensive and practical advice.

Who's in the Users' Group

Users' Group members are drawn from client, consultant, contractor, design and surveyor organisations amongst others. *This includes:*

Corporate Membership

Memberships are available for NEC3 or NEC4.
